KLAX

THE TIC-TAC-TILE GAME

It's simple in concept, and easy to play. Catch the colored tiles with the paddle and flip them into bins to make same-colored stacks and rows of three. Sounds easy? It is. The hard part is pulling yourself away from the game.

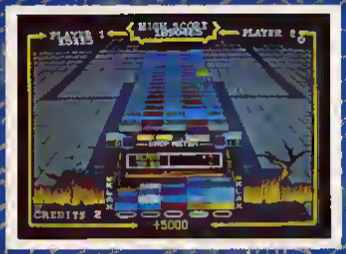
- Simultaneous 2-player option
- Level select
- Add-a-coin

Available in three configurations at an unbeatable price:

- Standard upright
- Flexible "cabaret"
- Universal kit—Includes PCB, controls, JAMMA harness, bezel and artwork for header, control panel, and side decals.

KLAX...it's the sign of the times!

Make a basic KLAX by stacking three high.



Here, three blue tiles create a diagonal KLAX

Head-to-head action creates a competitive challenge for two players.

A second player can join in at any time.
